

Tioga News- Bill Kotcher promoted to President

Philadelphia, Pennsylvania, February 22, 2021 –

Tioga Pipe, Inc. is pleased to announce that Bill Kotcher has been promoted to President of the Company. Bill joined Tioga in 2016 in the role of Chief Operating Officer. He also serves on the Board of Directors of Mackson Nuclear, an affiliated Tioga Company.

Bill has over 20 years of leadership experience running industrial distribution and manufacturing organizations focused on the Energy, Petrochemical, and Industrial markets. Bill's outside interests include serving as an Advisory Board Member at Michigan State University, Industry Fellow/Adjunct at the University of Houston-Downtown, and a Lifetime Fellow/Prior Board Member at IIAPS (International Institute for Advanced Purchasing and Supply). Bill is a featured public speaker and is in high demand on the topics of Leadership and Ethics in Business. Two of his most recent featured engagements included the 2020 OPEX Exchange Americas Conference and the 2019 Annual National Convention of the NASPD (National Association of Steel Pipe Distributors).

Bill Kotcher said, "It is truly an honor to be part of such a strong company with a long history and great teams. I am excited about our future and the opportunities that lay ahead."

Andy Keiser, now Tioga's Chief Executive Officer (CEO), said, "Bill is a great leader, skilled businessman, and a terrific person, and we are looking forward to the continuation of the Tioga Success Story for many years into the future with Bill as our President."

Bill lives in Houston with his wife and two sons and is based at our Houston Corporate Office.

About Tioga Pipe Inc.

For 75 years Tioga has and continues to live by its tagline "**when it has to be right™**". Tioga is one of the largest material providers of high energy pipe and steel components for applications in the process, power, nuclear & military shipbuilding industries.
